

LOW-VOLTAGE HYBRID INVERTERS

Item	Model / Product	Photo	KEY FEATURES	Price	Warranty
1	5kW HYBRID SUN-5K- SG04LP1-EU-SM2		5kW output Single phase LV battery system Wi-Fi dongle	KSh 89,000	7 Years
2	8kW HYBRID SUN-8K- SG05LP1-EU-SM2		8kW output Single phase LV battery system Wi-Fi dongle	KSh 131,500	7 Years
3	12kW HYBRID SUN-12K- SG02LP1-EU-AM3		12kW output Single phase LV battery system Wi-Fi dongle	KSh 193,500	7 Years
4	16kW HYBRID SUN-16K- SG01LP1-EU		16kW output Single phase LV battery system Wi-Fi dongle	KSh 237,500	7 Years
5	12kW HYBRID SUN-12K- SG05LP3-EU-SM2		12kW output Three phase LV battery system Wi-Fi dongle	KSh 196,000	7 Years
6	20kW HYBRID SUN-20K- SG05LP3-EU-SM2		20kW output Three phase LV battery system Wi-Fi dongle	KSh 309,500	7 Years

LV = low-voltage battery system. Product-family photos are illustrative; supplied model appearance may vary.

Model references follow the earlier USD list. KSh prices follow the latest supplied list; confirm exact SKU when ordering.

HIGH-VOLTAGE HYBRID INVERTERS

Item	Model / Product	Photo	KEY FEATURES	Price	Warranty
7	30kW HYBRID SUN-30K- SG02HP3-EU-AM3		30kW output Three phase HV battery system Wi-Fi dongle	KSh 363,000	7 Years
8	50kW HYBRID SUN-50K- SG01HP3-EU		50kW output Three phase HV battery system Wi-Fi dongle	KSh 515,000	7 Years
9	80kW HYBRID SUN-80K- SG02HP3-EU-EM6		80kW output Three phase HV battery system Wi-Fi dongle	KSh 755,000	7 Years
10	100kW HYBRID SUN-100K- SG02HP3-EU-GM8		100kW output Three phase HV battery system Converted to KSh	KSh 949,000	7 Years
11	125kW HYBRID SUN-125K- SG02HP3-EU-GM10		125kW output Three phase HV battery system Converted to KSh	KSh 999,700	7 Years

HV = high-voltage battery system. USD prices converted at KSh 130 per USD for this price list.

Product-family photos are illustrative. Warranty terms and stock availability should be confirmed for the exact model.

LITHIUM BATTERIES & HV ACCESSORIES

Item	Model / Product	Photo	KEY FEATURES	Price	Warranty
12	BOS-G / Pro HV battery module		5.12kWh per module High-voltage system Photo: rack assembly	KSh 99,000	5 Years + 5 Extended
13	SE-F5 Wall-mounted battery		5.12kWh capacity 1.2C rating Wall-mounted design	KSh 82,000	5 Years + 5 Extended
14	SE-F16 Wall-mounted battery		16kWh capacity 0.5C / 0.7C rating Wall-mounted design	KSh 210,500	5 Years + 5 Extended
15	HV BATTERY RACK 3U rack		For 12 HV batteries Plus 1 cluster control box Photo: assembled rack	KSh 40,000	Confirm
16	CLUSTER CONTROL BOX HVB1000V / HVB750V / 100A-EU		HV battery control With cables Reference as supplied	KSh 87,000	Confirm

Deye batteries include a 5-year standard warranty plus a 5-year extended warranty, subject to warranty terms.

Battery module prices do not imply that the pictured complete rack is included. Confirm required rack and control components.

LVTOPSUN 48V LITHIUM BATTERIES

Item	Model / Product	Photo	KEY FEATURES	Price	Warranty
17	LVTS-512100-G3 5.12kWh 51.2V 100Ah		LiFePO4 / Smart BMS LCD battery display CAN / RS485 / RS232 IP20 indoor installation	KSh 80,000	5 Years
18	LVTS-512228-G3 11.67kWh 51.2V 228Ah		LiFePO4 / Smart BMS Automatic fire suppression Bluetooth & Wi-Fi monitoring CAN / RS485 / RS232 6,000 cycles at 90% DOD	KSh 150,000	5 Years
19	LVTS-512200-G3 10.24kWh 51.2V 200Ah		100A charge / 170A discharge Smart BMS protection IP20 indoor protection 6,000 cycles at 90% DOD	KSh 148,000	5 Years
20	LVTS-512314-G3 16.07kWh 51.2V 314Ah		150A charge / 200A discharge Smart BMS protection IP20 indoor protection 8,000 cycles at 90% DOD	KSh 195,000	5 Years
21	LVTS-512314-G4 16.07kWh 51.2V 314Ah		IP65 protection Automatic fire suppression Bluetooth & Wi-Fi monitoring 8,000 cycles at 90% DOD	KSh 205,000	10 Years
22	LVTS-512628 32kWh 51.2V 628Ah		150A charge / 200A discharge LCD battery display CAN / RS485 / RS232 Parallel up to 63 units	KSh 380,000	5 Years

48V-class batteries operate at 51.2V nominal. Confirm BMS communication and settings for the selected Deye low-voltage inverter. Prices and LVTOPSUN warranties follow the supplied 2026/2027 distributor price list.

INVERTER & BATTERY PACKAGES

No.	PACKAGE	Photo	STORAGE	Price (KSh)
23	Deye 50kW inverter + Deye BOS-G Pro HV lithium battery set		61.44kWh Deye batteries	1,796,000
24	Deye 30kW HV inverter + Dyness S51100 lithium batteries		30.72kWh Dyness batteries	1,018,000
25	Deye 50kW HV inverter + Dyness S51100 lithium batteries		61.44kWh Dyness batteries	1,735,000
26	Deye 80kW HV inverter + Dyness S51100 lithium batteries		102.4kWh Dyness batteries	2,820,000

ORDERING NOTES

Dyness package descriptions and prices are reproduced from the supplied list. Confirm the full battery configuration and voltage compatibility before ordering.

Tax, transport and installation inclusions were not specified. Confirm final quotation, availability and warranty. Prices are based on the supplied lists and may change.
